COOKIE POLICY

[·] 2024

What are Cookies?

Cookies are small data files stored on your browser or the hard drive of your phone, tablet, or computer when you visit a website.

How We Use Cookies?

We use Cookies to identify users on the Tranzakt mobile application (the **Tranzakt App**) and [•] (the **Site**). Cookies may also be used by other third-party websites where you access third-party links through the Tranzakt App. Cookies also enable us to make your user experience easier, customise our features and services, content, and advertising; help you ensure that your account security is not compromised; mitigate risk and prevent fraud; and promote trust and safety.

Cookies allow our servers to remember your account log-in information when you visit the Tranzakt App and the Site, IP addresses, date, and time of visits, monitor traffic and prevent fraudulent activities.

The Types of Cookies We Use

We use the following cookies:

- **Strictly necessary Cookies:** these are cookies that are required for the operation of our Site. They include, for example, cookies that enable you to log in to the Tranzakt App or visit the Site and make use of any of the features and services, such as making payments, funding your wallet, withdrawing from your wallet and bill payments, among others.
- **Analytical or performance Cookies:** these allow us to recognise and count the number of users or visits to the Tranzakt App and the Site and to see how users and visitors move around the Tranzakt App and the Site when it is being used. This helps us to improve the way the Tranzakt App and our Site work by ensuring that users can easily access our services and features.
- **Functionality Cookies:** these are used to recognize you when you return to the Tranzakt App or our Site. This enables us to personalise your experience and remember your preferences and choices on the Site (for example, your choice of language or region).
- **Targeting Cookies:** these cookies record your visit to the Tranzakt App and our Site, the pages you have visited and the links you have followed. We will use this information to make our Site more relevant to your interests.

How to Disable Cookies

Some browsers may automatically accept cookies, while some can be modified to decline cookies or alert you when a site wants to place a cookie on your computer. You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser to block all cookies (including essential cookies), you may not be able to access all or parts of the Tranzakt App and our Site.

Updates to This Policy

We may make changes to this Cookie Policy from time to time as may be required. In the event of a change to this Cookie Policy, the “Last Updated” date of this Cookie Policy shall be indicative of any update. Any modifications shall be effective immediately upon posting the updated Cookie Policy on the Tranzakt App and the Site. There shall be no specific notice of any modifications to this Cookie Policy, as such, users are advised to regularly visit this page to keep track of changes, if any.

I have read and understood the Cookie Policy and I accept the terms.
